

Friends of the Open School

Dear Donor,

We invite your participation in an event that will benefit hundreds of diverse public school children at the Open Magnet Charter School, which is located in Los Angeles. When most of us were students, we enjoyed Art, Garden, Music and P.E. as part of our basic education. Unfortunately, with today's budget cuts, these enrichment programs have been eliminated!

Our parent led PTA, "Friends of the Open School", has rallied to make a difference and has organized an "Online Auction" fundraiser to help provide support for these programs. Proceeds from this event will help pay the salaries of our art, music, P.E. and garden teachers as well help maintain the school's computers, so that we can continue to enrich the lives of our children.

The amount is not critical but your participation is, so please consider making a donation by completing the enclosed "Auction Donation Form" and returning by **March 27, 2017**. In return for your generous donation, your auction listing will include your company logo and a direct link to your company website. In addition to our own influential families as well as their network of friends and families, we reach close to 400,000 nationwide bidders through our online partner, Bidding For Good.

Please feel free to email us at: online_auction@opencharter.org with any questions or to learn about additional advertising opportunities. We appreciate your consideration to support the students at the Open School.

Sincerely,

Jamie Shwartz
